

## DECLARATION OF CONFLICT MINERALS POLICY

Declaration has signed to confirm that Katsa Oy exclude usage of all conflict minerals from unknown sources in supply chain (according to U.S law Wall Street Reform and Consumer Protection Act.)

Conflict Minerals and Metals are materials, which trough their mining, production or supply have either knowingly or inadvertently been of benefit to illegal armed group.

Katsa Oy purchase raw materials only from reputable suppliers with long term relationships, who are committed to Katsa Oy's sourcing policy to exclude Conflict Minerals from unknown sources in their supply chain.
